

This data was collected in May, 2007, using the information available at the Smithsonian / NASA Astrophysical Data System at http://adsabs.harvard.edu/default_service.html

Color Legend:

Green = Full Professor who would Vote on GG's Tenure

Blue = Other Tenured Professor (Associate Professor or Professor Emeritus)

Red = Highest in Category for that Table

Yearly Data: All Astronomers in ISU Dept. of Physics and Astronomy

Name	Description	2001			2002			2003			2004			2005			2006			2007
